

Order code: **KTEK120UNVL**

Klauke Hydraulic Battery Powered Universal Tool

- Klauke Multi Tool
- Klauke tool with one universal head for crimping, cutting and punching – flip-top style, rotatable
- Ideal for field operations where all common jobs can be carried out with just one tool
- Fast working due to 2-stage hydraulics
- Very large crimping area
- Dies to punch DIN rails
- Characteristics:
- Electronic control and monitoring of operation
- One-button operating concept for controlling all tooling functions
- Ergonomic 2-component plastic housing with soft linings
- Balanced centre of gravity for easy handling
- LED for workplace illumination
- High-performance 18V Li-Ion battery
- High-performance motors for maximum operating speed
- 2-stage hydraulic system with fast feed and power stroke
- Effort-saving function by stopping motor after successful operation
- Quick motor stop for high user safety
- Automatic retraction when operation is complete
- Manual retract in case of need
- Manual retract stop with "teach-in" (MRS+) for positioning control in case of multiple crimpings
- Multi-function LED for maintenance control, charge level indicator of the battery and for data transmission via USB adapter
- Supplied with RAL2 18V Li-Ion battery, LGL1 quick battery charger, UACSR adapter for ACSR cutting (all other adapters sold separately), plastic case
- Charging time 22 minutes
- Additional accessories available
